

# UPCYCLE YOUR FURNITURE

with Americana Decor Paint

Rowan Tree Crafts in Carnforth are not only stockists of a huge amount of craft equipment, including the famous Americana Decor Paints, they are also running a huge selection of courses, one of those, on Monday 7th of March is a furniture upcycling course.

Quickly and easily refurbish second hand furniture with Americana Decor® Chalky Finish paint. This ultra-matte chalk paint requires no priming or sanding before using. No special skills required to achieve looks from shabby chic to bohemian modern. Customize with waxes or varnishes to finish and protect the paint surface. Unlike Annie Sloan branded waxes, Americana Decor wax does not need to be reapplied to upkeep the protective finish.
